

Reading and Literacy Added Authorization and Reading and Literacy Leadership Specialist Credential Transition Plans General Timeline

Date	Activity
September 30, 2010	Standards adopted.
October 2010-March 2011	Review the new standards and the program currently offered, including the crosswalk matrix. Discuss/decide what modifications must be made in coursework, fieldwork, and assessment of candidate competence. Decide on the appropriate Transition Date.
April 1, 2011	Submit the Transition Date Form (month & year of transition)
6 weeks prior to start of new program	Submit Reading Transition Form (process to decide on changes & what changes will be made for each program)
January 2011-December 2012	Begin the Transitioned Program. At the same time, begin to write the program narrative describing the program design and how the program meets the standards. Collect supporting materials—course syllabi and assessment tools.
Transition Date + 6-12 months OR regularly scheduled PA	6-12 months <u>after beginning</u> the transitioned program, submit program narrative and supporting documentation for Program Assessment OR if normal Program Assessment is scheduled within 3 years of transitioning.
January 2013	All programs have transitioned to the revised standards.
